

## **Notes on the meeting of August 16<sup>th</sup> 2011.**

Started 7:00 by chair Joe.

Mike and Chris not there.

Mins and agenda accepted by all.

Town pier repair. It moved and seconded b to look into a House Doctor account to have that service on call for the whole year. Moved by Gerry, second roger.

Dudley baker was in the room and asked for help. We told him to talk to the Harbormaster who has all the power... we are just advisors.

Light pole approved.

It was approved to go spend the 7500 for the gate and box, and put up all the signs.

The by law review will talk about the changes at this meeting 09/13/2011

No harbormaster report.

Public,

Mark Eisenberg will be joining our meetings as the liaison to the Fin Com.

He will ask about the 13K for the shellfish study.
